Dear Colleagues,

This year the 4-th International Seminar in Otology and Neuro-Otology will be combined with Friendly Meeting. This cooperation makes us extremely happy and determined to be as successful as possible. The meeting will be under auspices of European Academy of Otology and Neuro-Otology. The lectures, the video-presentations, the discussions of our distinguished visiting professors, which are also longstanding friends, will cover entirely the subject of the meeting. We welcome you to our Friendly Meeting!
